ABOUT US

We've designed our products to work for most applications without having to order special formulas for different fabrics because we use the best materials for everything we make.

We are experts in more than just screen-printed transfers. We also make exceptional quality custom applique, digital print transfers, vinyl transfers, stickers, rhinestone transfers, and more!

WHY CHOOSE US

We believe customer service does not have to be a thing of the past.

We believe our customers' success is the reason for our success.

We believe simple solutions save time and money.

We believe relationships are the key to success.

FASHION INK

SCREEN PRINT TRANSFERS

Fashion Ink spot color transfers give you that super soft vintage feel. They work great for multi color distressed or small detail logos because of an additional adhesive layer. Transfers will have a thin clear outline. Fashion Ink is normally ran without an under base so depending on color they may not be fully opaque.
